15 August 2011

Dear Mr Wells

I am writing to thank you for your assistance on the 10 August 2011 when you stopped and using your expertise cut and cleared the highway of a felled tree thus rendering it safe for motorists. Your help was very much appreciated and the officers involved personally requested that we convey their thanks to you.

Please accept the thanks of my officers and myself to this public-spirited action.

Dorset Police is determined to provide an excellent policing service in Dorset, and we shall continue to work hard in support of that aim.

Yours sincerely

Superintendent 1028 Dave Thorp
Territorial Commander
